Thanks to...

- *Mrs. Jenny Stisher and her fabulous crew of parent volunteers for making our “Dollar Den’s Grand Opening” on Friday, September 25th such a wonderful success! All of our students were absolutely thrilled to spend their first Bonus Bucks of the year!!!*

Want Ads

- We are still in need of many, many **items to sell at our weekly Dollar Den**. Please keep looking and scavenging them for us. Some good places include festivals, fairs, freebies from workplaces, “Happy Meal” prizes, yard sales, and slightly-used items from your own homes, including books, toys, play jewelry, school supplies, candy, and other food treats.
- We are looking for **guest speakers** for our science classes throughout the year. Currently, we are studying “Constructions,” so if you know of someone in the construction trades (i.e. - builder, architect, carpenter, etc.) who would like to come in and share his/her vocation with our students, please let your child’s homeroom teacher know. Later in the year, we will be looking for meteorologists, geologists, archaeologists, and/or paleontologists.

Reminders

- ✓ If you are sending in money for your child’s **lunch account**, please place it in a sealed envelope and write your child’s full name and PIN on the front.
- ✓ Please return your child’s permission slip for our “**Neighborhood Walk**” by this Friday, 10/9.
- ✓ If you have not sent in your child’s **party permission slip and money** (\$4.00 in cash), please do by Friday, 10/23.
- ✓ Please also sign and return your child’s permission slip for our annual “**Walk for the Homeless**” by next Monday, 10/12.
- ✓ Check your child’s **white Goshen Grizzly folder** every night, and then please return this to school every morning.
- ✓ Be sure that your child brings his **book baggie** with his guided reading books back to school every day.
- ✓ If you haven’t yet e-mailed your child’s teachers with your **e-mail address**, please do so asap, so that we can add you to our class contacts lists.
