- one pair of scissors
- two highlighters
- one inch/cm ruler
- Five composition book

Fifth Grade also appreciates Voluntary Donations of the following items:

- Box of tissues
- Hand sanitizer
- Paper Towels

Grades 3, 4, and 5 Assignment Books

It is recommended that parents purchase the Greencastle Assignment Book from the school at a cost of \$5.00 for the year. On a daily basis, students in Grades 3, 4, and 5 write down their homework assignments organized by subjects. **This agenda book is not graded or used as a hall pass, but it is used by teachers to help your child track**

his/her assignments and to let you know of assignments that are due. While this is a voluntary purchase, we strongly believe a student agenda book is a valuable organizational tool to help you and your child monitor completion of assigned tasks. If you do not want your child to purchase the school's agenda book, please provide a tool your child can use for the same purpose. Please send in \$5.00 with your child on the first day of school (cash or checks made out to Greencastle Elementary School).

Basic Calculators are used in math instruction in grades 3, 4, and 5 and are provided for classroom use. You may wish to purchase a basic calculator for your child to use at home and/or bring to school.
