

## School Supplies 2009-2010

The following is a list of general organization supplies that your child will need to be successful in school:

- 3" Three-ring binder
- 7 Subject dividers (for three-ring binder)
- Loose-leaf notebook paper (several packs)
- Pencil pouch
- Several #2 pencils with erasers
- Several pens (black, blue, red)
- Highlighters
- Pocket folder
- Colored pencils

In addition to the above supplies:

- ❖ 7<sup>th</sup> grade English teachers are requesting a 1" inch binder and 5 dividers to help each student organize his or her English writing portfolio.
- ❖ 6<sup>th</sup> grade reading teachers are requesting a hard cover composition notebook to use as a journal.
- ❖ Math teachers suggest that students may want to purchase a ruler (cm/inches), a compass, and a protractor for math class. Each classroom has a class set, but students may prefer to use their own.

***Students should bring their supplies the first week of school. Please do not purchase large backpacks on wheels because they will not fit in lockers. Also, please do not buy the pressure shelves to place inside the lockers as these shelves, when expanded; affect the lockers on either side.***
