May 2008

Hello,

I would like to introduce myself. I am Victor Quiroz, a counselor at Magruder High School. I will be taking over the student caseload previously assigned to Mrs. Purich/Mrs. Mannion. I look forward to working with your high school students during the 2008-2009 school year.

I have been working for the Montgomery County Public Schools for the past two years as an ESOL Counselor at Blair and Kennedy high schools, as well as Takoma Park Middle School. Prior to joining the school system, I worked as a counselor and therapist in Montgomery County, providing mental health counseling services to adolescents and their families.

I have a Master of Science degree in School Counseling from the Johns Hopkins University, and, as part of that program, I served as an intern at Watkins Mill and Wheaton high schools. As a result of my academic qualifications and work experience, I am licensed by the state of Maryland as a Licensed Clinical Professional Counselor. I am also a Certified National Counselor, a professional certification recognized by school systems throughout the United States.

I expect to be available to meet with parents and students at Magruder during the following weeks this summer:

- July 7, July 21, July 28, August 4, and August 18.

Again, I look forward to working with you and your students. My email address is [victor\\_quiroz@mcpsmd.org](mailto:victor_quiroz@mcpsmd.org). Or, please call me at the Magruder High School Counseling Department at (301) 840- 4614.

Sincerely,

*Victor Quiroz*
