Student Parking Regulations

Students will lose parking privileges if they violate any of the rules listed below:

- Driving recklessly
- Driving off school grounds without permission
- Disregarding parking lot signs, such as "Do Not Enter" and "Staff Parking Only"
- Having five unexcused tardies or absences in any class
- Returning to the vehicle at any time during the school day without written permission
- Suspension/expulsion for use and/or possession of alcohol and/or drugs

Students who are granted parking privileges are expected to obey all parking lot regulations, which will be strictly enforced. Violations of parking regulations will result in the loss of the parking privilege. A first offense will result in the loss of the parking privilege for two weeks and a second offense results in the loss of the parking privilege for the rest of the semester or season. **By county policy, there will be no refund of fees when a parking privilege has been revoked.** The parking lots will be monitored on a routine basis for safety, valid permits, and proper display of permits. Please be sure your permit is placed facing the front and is clearly visible on the rearview mirror so the sticker number can be seen through the windshield. Warning stickers carry a \$25 financial obligation and will be placed on vehicles not displaying permits. On the third offense, the car will be towed at the owner's expense. County police may visit the lot and issue tickets to cars without permits.

I have read the rules above and I understand that violating the Student Parking Regulations as well as any other regulations that are posted in the lot will result in the loss of my parking permit.
