

Parking Rules and Regulations

Students who are granted parking privileges are expected to obey all parking lot regulations, which will be strictly enforced. Please be sure your permit is placed facing the front and is clearly visible on the rearview mirror so the sticker number can be seen through the windshield. Violations of parking regulations will result in the loss of the parking privilege. The parking lots will be monitored on a routine basis for safety, valid permits, and proper display of permits. A warning sticker will be placed on any vehicle not displaying a permit. A first offense will result in the loss of the parking privilege for two weeks and a second offense results in the loss of the parking privilege for the rest of the semester. On the third offense, the car will be towed at the owner's expense. County police may visit the lot and issue tickets to cars without permits. According to county policy, there will be no refund of fees when a parking privilege has been revoked.

I have read the rules above and I understand that violating the Student Parking Regulations will result in the loss of my parking permit.
