Northwood High School Counseling Department
Abbreviated Schedule Form
2012-2013

*** For the class of 2013 ONLY ***

Transcripts sent to colleges represent seniors' accomplishments and efforts throughout high school. 9th-11th grade courses and grades are listed on the transcript. All courses in which a senior applicant is enrolled are also listed on the transcript. Seniors must maintain the integrity of their transcripts. This is not the time to demonstrate to college admission officers that you are tired of school.

This is the last year that your education is free!
