Here are specific products you can use to reduce your impact on the bay:

- ✓ **Use Cleanut™, Seventh Generation™, or other detergents**
- ✓ **Use Eco-Bags, sold at grocery stores**

Also, here are some green solutions to household cleaners:

All purpose cleaner: Mix 1/2 cup vinegar and 1/4 cup baking soda (or 2 teaspoons borax) into 1/2 gallon (2 liters) water. Label, store and keep.
