Picture day is coming. You have two opportunities to order.

1. Pre-pay for your portrait package on picture day with the order form/envelope handed out at school

Or

2. Place your order after the fact with a proof. Anyone that doesn't order on portrait day will receive a proof of the portrait that was taken. You can either place an order online with the supplied password or mail in an order. No proofs will be sent home from portraits taken on make-up day.

Benefits to Option #1 include:

- Choice of background color (available at most schools, see order form)
- Quicker portrait package delivery and no shipping charges (packages will be sent to the school about 2-3 weeks after picture day – online or mail in orders incur a shipping charge and are sent directly to students' homes)
- Discount on additional purchase of portraits
- 100% satisfaction guarantee
