

Counseling Office
Rockville High School
2100 Baltimore Road
Rockville, Maryland 20851
(301) 517-8108

August 21, 2009

Dear Parents:

This booklet, containing material relating to the Counseling Office programs, services, and testing dates for the 2009 - 2010 school year, has been prepared for your information and future reference.

Please take the time to go through the contents of this booklet with your son or daughter. You may find it helpful to mark pertinent sections and refer to them throughout the year. We encourage students to be responsible to register for necessary preparatory tests and have therefore provided a calendar (see back cover) to help serve as a year-long reminder of important dates and deadlines.

On the cover is a listing of the members of the counseling staff who are here to serve you and your family. Students are assigned to counselors alphabetically according to their last name and grade level. Students who wish to see a counselor should come to the Counseling Office and schedule an appointment. Parents wishing to contact counselors should call the Counseling Office between the hours of 7:15 am and 2:30 am, at 301-517-8108.

In addition, our **College/Career Center Newsletter** is published bi-monthly providing counseling and college/career information. It also informs students and their families of the upcoming visits from the various college/career representatives visiting Rockville; test dates; scholarships; financial aid information; employment and volunteer opportunities; special programs; and invitations to attend open houses. Students and families are encouraged to stop by the Career Center and obtain a copy of the Newsletter, or view it on-line by visiting Rockville's web page (www.mcps.k12.md.us/schools/rockvillehs). The College/Career Center is opened year round for students and their parents. Appointments may be scheduled by calling the Career Center at 301-517-8297.

All programs in the Montgomery County Public Schools are available to every student, regardless of race, color, national origin, sex or disability. Descriptions, location, and procedures for applying for these programs may be obtained from the counselors or the College/Career Center.

Sincerely,

The Counseling Staff

Secondary School Report Card Schedule

Marking Period	Interims Mailed	End of Marking Period	Report Card Distribution
1	October 6, 2009	October 30, 2009	November 11, 2009
