

## Interscholastic Sports

The MCPS Middle School Interscholastic Athletic Program is a planned extension of the physical education instructional and intramural program. Although the athletic program offers a higher level of competition, its primary purpose is to provide an opportunity for advanced skill development for all eligible 7<sup>th</sup> and 8<sup>th</sup> grade boys and girls with interests and/or talents in athletics. Please contact Mrs. Shelli Hill, Athletic Coordinator, with any questions (Shelli\_L\_Hill@mcpsmd.org).

### Medical Requirements

- Students must submit a medical evaluation form from a physician certifying that they are physically fit to participate as a member of a team. Forms are available in the main office.
- A medical exam is good for two calendar years for middle school students; 8<sup>th</sup> grade medicals are good for one calendar year.
- A participant must have a valid medical throughout the entire season to maintain eligibility.
