THE PTA NEWSLETTER OF THE SEQUOYAH ELEMENTARY SCHOOL COMMUNITY

[www.mcps.k12.md.us/schools/sequoyahes](http://www.mcps.k12.md.us/schools/sequoyahes)

## This month's message from our Principal and PTA President

December, 2006

*Sequoyah is a community of learners who are dedicated to the support and development of productive citizens. We will foster lifelong learners in a respectful environment that is conducive to positive change, collaboration, communication, and acceptance.*

What an incredible month! We are continuing to foster a strong bond between our Sequoyah parents and our staff. Open and continuous communication between home and school provides a foundation to help our students succeed.

The PTA membership drive is going on until March 31<sup>st</sup>. At that time, all unused membership cards will need to be returned to the state PTA. If you have not had a chance to sign up for the PTA, please do so as soon as possible. In order to provide educational enrichment for our students, we need to reach our annual budget goal of \$37,000.

Parent conferences at Sequoyah and the Upper County Community Center went well. For the first time in the history of the Upcounty conferences, we had more translators than needed. Thank you to the many volunteers and staff members who helped make this possible. Through continued communication between our staff and our parents, we will be able to ensure continued success for all of our students.

The diversity of our school and community was displayed during International Night. We had over 25 countries represented at the event. We want to thank all of the people involved in coordinating and volunteering for the event. International Night would not be so successful without their support. Many thanks to Jean Sommerville for coordinating everyone's efforts to make this a unique experience for all.

Our school collected over 300 canned and dried foods for our annual Canned Food Drive. Potomac Elementary School, our new "sister school," also donated food to support our community during this holiday season.

In response to Student Council's desire to help needy families in our Sequoyah school community, we are holding the Student Council's 1<sup>st</sup> Annual Joy of Giving Campaign. Those of you who wish to participate may send in gift cards. We suggest Giant, Target, McDonald's, Wal-Mart, Shoppers, or Safeway cards. This will allow our needy families to select those items that enable them to provide for their family's needs.

Happy Holidays from the PTA and the Sequoyah staff. Enjoy the winter break and we look forward to your continued support throughout the coming year.

## Sequoyah Signal

---

Dear Parents and Guardians:

Winter weather emergencies, such as snow and ice, may cause disruptions in school operations, including the closure of school, a delayed opening, or an early dismissal. This letter provides information about the procedures used when such disruptions occur. Information also is provided about the weather contingency plan that would add student instructional days to the end of the scheduled school year if schools are closed for more than four days due to excessive weather emergencies.

### **Closure of School**

When schools are closed system wide, all instructional programs and extracurricular activities in schools are canceled. Private day-care providers in school buildings may elect to stay open if the schools are closed but the administrative offices are open. In extreme conditions, administrative offices may also be closed. If this occurs, private day-care programs located in school buildings are closed as well.

### **Delayed Opening**

A delayed opening means that schools open two hours later than scheduled. All buses operate on the same delayed schedule and, therefore, the pick-up times are two hours later than normal. When elementary schools open on a delayed schedule, the following programs are canceled: Head Start, pre-kindergarten, and other specialized programs or field trips scheduled before 12:00 p.m. However, afternoon sessions of Head Start and pre-kindergarten begin at the regular time. Parents should continue to check for radio, television, or Web announcements in the event a decision to delay the opening of schools is considered and a decision to close schools for the day is made by 7:00 a.m.

### **Early Dismissal**

An early dismissal means that schools will close 2.5 hours earlier than scheduled. All buses operate on the same early schedule and, therefore, drop-off times are 2.5 hours earlier than normal. When elementary schools close early, afternoon Head Start, pre-kindergarten, and other early childhood programs are canceled, as well as any special programs or field trips scheduled after 12:00 p.m. Head Start and pre-kindergarten students will be dismissed at 10:30 a.m.

### **Public Announcements**

Information about school operations is announced publicly as soon as possible on area radio and television stations, County Cable Channel 6 or Cable Channel 34-MCPS TV, on the Internet at [www.montgomeryschoolsmd.org](http://www.montgomeryschoolsmd.org) and on a taped telephone message service at (301) 279-3603. Emergency e-mail announcements are available by signing up for MCPS QuickNotes on the school system's home page and via the Schools-Out.com email service. If schools are closed or delayed, the announcement is made not later than 6:00 a.m. (or the night before if possible). If schools are closing early, the announcements are made by 11:00 a.m.

### **Emergency Weather Contingency Plan**

An emergency weather contingency plan will add student instructional days to the end of the scheduled school year if schools are closed more than four days because of weather emergencies. The planned school year for students ends on June 14, 2007. However, if schools are closed for more than four days due to weather emergencies, the following schedule would extend the school year in order to add the necessary make-up days:

If schools are closed for five days, the school year will be extended by one day to June 15, 2007.

If schools are closed for six days, the school year will be extended by two days to June 15 and June 18, 2007.

If schools are closed for seven days, the school year will be extended by three days to June 15, June 18, and June 19, 2007.

If schools are closed for eight days, the school year will be extended by four days to June 15, June 18, June 19, and June 20, 2007.

If schools are closed for nine days, the school year will be extended by five days to June 15, June 18, June 19, June 20, and June 21, 2007.

### **Weather Conditions and Decisions**

*(Continued on page 4)*

## Sequoyah Signal

The school system uses a variety of sources of information to determine whether to close schools, delay the opening of schools, or dismiss schools early. These sources include actual physical inspection of road and school conditions by transportation officials and other staff at areas throughout the county, and an analysis of independent reports from the National Weather Service, Accu-Weather, and the news media. The most severe weather conditions within the county are used as the basis for decision-making. Consistent procedures are maintained in order to respond quickly to emergency weather conditions and protect the safety and well being of students.

All public schools within Montgomery County adhere to the same schedule concerning emergency weather conditions. The decision to change school operations is made by the superintendent of schools or his designee and affects all schools within the school system.

Sincerely,

Bobbi Jasper, Ph.D.  
Principal

### **Redland Extreme Makeover Update**

Redland Middle School is scheduled for an "Extreme-Makeover" and a planning process with several meetings has been underway. The planning process and the construction is a two year process. At Redland, a community presentation of the final architectural plans is scheduled for Tuesday, December 12<sup>th</sup> at 7 P.M. *Any questions or for more details please contact Beatrice Hanson, PTA Redland Middle School co-President at [bea4kids@comcast.net](mailto:bea4kids@comcast.net) or (301) 519-6919.*

### **3<sup>rd</sup> grade Parents or Guardians Update**

Third grade began Junior Achievement in November. This is a partnership with the community involving our social studies unit. Each class will have a member of the business community teaching about the city for a 5 week unit. We also began the recorders in music. It is important for students to practice and remember to bring recorders to school on the day that they have music.

### **Playground Update**

Are you looking for a spring project? Have you visited the Sequoyah Elementary School playgrounds? For the past several years, we have had parents and students raise concerns about the playground equipment to our Sequoyah PTA Officers and Executive Board. If you are interested in becoming our Playground Committee Chairperson or a Playground Committee member, please call *Sue Martin, 1<sup>st</sup> VP Programs at 301-926-6509*. On any given day, you are always welcome to stop by the Sequoyah office to sign-in, pick up a walkie-talkie and become a recess aide for an hour! The best part is our school receives your volunteer hours for your time while you're at our school.

#### **AUTHOR PROGRAM OCTOBER 3<sup>RD</sup> & NOVEMBER 16<sup>TH</sup> UPDATE**

##### **Author/Illustrators Lulu Delacre and Dyanne DiSalvo visit Sequoyah**

Warm gratitude and special thanks go to the Sequoyah PTA for providing funds for the all-day visits of two wonderful author/illustrators who engaged and delighted our children!

Lulu Delacre came on October 3rd to speak to the Kindergarten, 1<sup>st</sup> and 2<sup>nd</sup> grade classes, sharing traditions from her childhood in Puerto Rico. Her newest book featured a new story about the charming coqui frogs, Rafi and Rose, during festive Carnival time with its colorful costumes and wild vejigante masks. She even brought a costume and mask to share with the children.

Dyanne DiSalvo visited on November 16th to entertain and delight 3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> grader with her funny tales of growing up in Brooklyn, and how her love of drawing, and her thoughtful reading, blossomed into a love of creating books for children. Many of her books feature community and working together. Students delighted in discovering that the different books take place in the same neighborhood so that a familiar character appears in another book.

Both author/illustrators were wonderful speakers, engaging the children, answering their questions, and sharing photographs of their studios, pets, lives, and what inspired them to write and draw. They both also spoke of the works of the editing that must take place in order to craft their ideas into enticing books for children, and emphasized the importance of reading and writing daily.

We are so fortunate to have a PTA that recognizes the value of sharing authors and their books with our children. Thanks to everyone for supporting the Fall book fair fundraiser this past October which allowed Lulu Delacre and Dyanne DiSalvo to visit our students at Sequoyah.

*Jean Sommerville, PTA Author Program Chairperson*

#### **CULTURAL ARTS-OCTOBER 23, 2006 UPDATE**

Sequoyah students and teachers enjoyed an energetic and educational dance demonstration by Step Afrika on October 23rd. We are also looking at other possibilities for cultural arts programs including an animal program. Thanks to Pat Chapin, PTA Cultural Arts Chairperson and Sue Martin, 1<sup>st</sup> VP Programs for coordinating this PTA sponsored cultural arts assembly Step Afrika.

### INTERNATIONAL NIGHT-NOVEMBER 17<sup>th</sup> UPDATE

*Over 250 people attended this PTA sponsored FREE community event at Sequoyah!*

The Committee wishes to give their heartfelt thanks to the many families who so generously shared their traditions with all of us. It was an honor and pleasure to work with them in coordinating the event and we were gratified and touched by their gracious sharing of their cultures, food, art, clothing, and history.

The evening truly revealed the delightful and rich diversity of our school. Attendees were able to learn about many cultures, sample delicious foods from several Continents, view exquisite clothing from many lands, and enjoy the music and dance of other countries. Everyone who presented their culture did a wonderful job of answering questions, sharing information about animals, games, coins, clothing, and food.

A special thanks goes to PTA Box Tops Chairperson, Andrea Cameron who coordinates the PTA *Box Tops and Campbell's Labels for Education fundraiser* to help support and fund this year's International Night so that it remained a FREE event for our Sequoyah community. Additional thanks must also be given to the many people who helped behind the scenes, including special thanks to Dr. Jasper, Ms. Woodcock, Steve Plaisance who worked with the Sequoyah SGA ambassadors who prepared great posters and also helped throughout the evening, Janet Freeman for her invaluable help with school equipment, Kate Murphy for her expertise with music, Gina Quinn and Ellen Wiesenberger who staffed the passport table, Dan Yankey and members of the building staff, and all parents or guardians, staff, and students who helped with table set up, prepared food, helped clean up, or in any way contributed to this FREE event. Thanks to all of you!

### **Directora/PTA (Asociación de Padres y Maestros) Mensaje de la Presidenta de Diciembre**

*Sequoyah es una comunidad de aprendices que están dedicados al apoyo y desarrollo de ciudadanos productivos. Fomentaremos estudiantes de por vida en un ambiente respetuoso que conduzca a cambios positivos, colaboración, comunicación y aceptación.*

¡Qué mes increíble! Continuamos fomentando un fuerte vínculo entre los padres de Sequoyah y nuestro personal. Una comunicación abierta y continua provee a nuestros estudiantes la ayuda para triunfar.

La campaña de afiliación de la PTA seguirá hasta el 31 de Marzo. En esa fecha todas las tarjetas sin usar tendrán que ser devueltas a la PTA del estado. Si no ha tenido la oportunidad de afiliarse a la PTA, por favor hágalo lo antes posible. Para poder proveer el enriquecimiento educacional a nuestros estudiantes, debemos alcanzar nuestro presupuesto anual de \$37,000.

Las conferencias de Padres y Maestros en Sequoyah y en Upper County Community Center estuvieron bien. La primera vez en la historia de las conferencias en Upper County, tuvimos más traductores de lo necesario. Gracias a todos los voluntarios y miembros del personal que ayudaron a hacer esto posible. A través de la comunicación continua entre nuestro personal y nuestros padres, aseguraremos un éxito continuo para todos los estudiantes.

La diversidad en nuestra escuela fue expuesta durante la Noche Internacional. Tuvimos más de 25 países representados en este evento. Quisiéramos agradecer a toda la gente que estuvo involucrada en coordinar y ayudar en este evento. La Noche Internacional no hubiese sido tan exitosa sin su ayuda. Muchas gracias a Jean Sommerville por coordinar los esfuerzos de todos y hacer de esto una experiencia única para todos.

Nuestra escuela recolectó más de 300 alimentos enlatados y secos para nuestra Campaña de Alimentos Enlatados. Potomac Elementary School, nuestra nueva "escuela hermana", también donó alimentos para apoyar a nuestra comunidad durante estas fiestas.

En respuesta del deseo del Consejo Estudiantil de brindar ayuda a las familias necesitadas de la comunidad de la Escuela Sequoyah, llevaremos a cabo la Primera Campaña Anual Alegría de Dar del Consejo Estudiantil. Todos ustedes que quieran participar pueden mandar tarjetas de regalo. Sugerimos tarjetas de Giant, Target, McDonald's, Walmart, Shoppers o Safeway. Esto hará posible que nuestras familias necesitadas seleccionen aquellos artículos que le permiten proveer para las necesidades de su familia.

¡Felices Fiestas de parte de la PTA y del personal de Sequoyah! Disfruten de las vacaciones de invierno y esperamos que continúen su apoyo a través del año que viene.

### Información de Programas

#### INFORME DE PROGRAMA DE AUTORES DEL 3 DE OCTUBRE & DEL 16 DE NOVIEMBRE

##### **Autoras/Ilustradoras Lulu Delacre y Dyanne DiSalvo visitan Sequoyah**

¡Cálida gratitud y un agradecimiento especial van para la PTA de Sequoyah por proveer los fondos para las visitas de día completo de dos autoras/ilustradoras maravillosas que cautivaron y deleitaron a nuestros niños!

Lulu Delacre vino el 3 de Octubre para dar una charla al Kindergarten y a 1° y 2° grados, compartiendo tradiciones de su niñez en Puerto Rico. Su último libro se trata de una nueva historia acerca de las encantadoras ranitas Caqui, Rafi y Rose, durante la época de Carnaval con sus coloridos disfraces y máscaras salvajes vejigantes. Inclusive trajo un disfraz y una máscara para compartir con los niños.

Dyanne DiSalvo visitó el 16 de Noviembre para entretener y deleitar a 3°, 4° y 5° grados con sus cómicas historias de su niñez en Brooklyn, y como su amor por el dibujo y su lectura interesante florecieron en un amor por la escritura de libros para niños. Varios de sus libros representan a la comunidad trabajando junta. A los estudiantes les encantó descubrir que los diferentes libros se basan en el mismo barrio y que personajes familiares aparecen en otros libros.

Las dos autoras/ilustradoras fueron maravillosas disertantes, cautivando a los niños, respondiendo sus preguntas y compartiendo fotos de sus estudios, mascotas, vidas y que las inspiró a escribir e ilustrar. Las dos también hablaron del trabajo de edición que se lleva a cabo para poder poner sus ideas dentro de libros que atraigan a los niños y enfatizaron la importancia de la lectura y escritura diaria.

Somos muy afortunados de tener una PTA que reconoce el valor de compartir autores y sus libros con nuestros niños. Gracias a todos por apoyar la Feria del Libro del Otoño este Octubre pasado, que permitió a Lulu Delacre y Dyanne DiSalvo visitar a nuestros estudiantes en Sequoyah.

*Jean Sommerville, Comisión de Programas de Autores de la PTA*
