Meet the Counselor at Stonegate...

Prior to this great opportunity, I was a third grade teacher at Fields Road Elementary School in MCPS. During my time as a teacher, I was able to work towards achieving my Masters degree in Counseling at Johns Hopkins University. In addition, I have obtained my Post-Masters in Counseling At-risk Youth. Currently, I am working toward my LCPC and NCC status. I earned my undergraduate degree in elementary and middle school education at the University of Maryland, College Park. I am also a veteran student of Montgomery County, and have truly enjoyed my years in such a rigorous and dedicated school-system.
