

Community Outings Information

Here is our schedule of our **Community Outings**. PLEASE remember that this schedule of outings is tentative and things may change, I will let you know as soon as possible of changes that may occur. If you would like to join our class for an outing please let me know 1 week (or more) in advance so I am able to make necessary arrangements.

**We have a community outing
every Friday from 10:30 to 1:00.**

I will send a note home the week of our outing as a reminder of where we are going - this note will be on the Student Homework/Behavior Sheet. The note will also give you more details about our outing and if your student will need to bring anything (money, library card, bag lunch, etc.).

With the economic times that we are facing - money is extremely tight for everyone. If you are having difficulty with the cost of these community outings please let us know and we will do as much as possible to support our students.

One way to reduce the cost of our community outing is to have them bring a bag lunch from home (or get a bag lunch from school ***however please let us know (if possible) in advance if they need a bag lunch from school***) instead of buying lunch and we will have them buy a drink or a side item so they still get the experience of purchasing something - but they do not pay for an entire lunch.

Let me know if you have any questions or concerns about any of the information that I have given you today about the **Community Outings**. Thanks again for your patience, support, and help. I also added some other important dates on this calendar for you too.

Ms. Vancavage 😊
