Dear Golfers and Friends,

The Watkins Mill High School Booster Club is hosting their first golf tournament on Monday, September 21, 2009 at the Laytonsville Golf Course. We are asking you to consider supporting us by signing up for this exciting day of golf.

All proceeds from this tournament will go to support Watkins Mill students, their activities and scholarships.

Please help make Watkins Mill students some of the best in Montgomery County. We hope with enough support we can turn this into an annual event.

The Watkins Mill Booster Club
