From: WMHS International Baccalaureate Office

International Baccalaureate Information Meeting

There will be an informational meeting on Thursday, November 13th at 7:00 PM in the WMHS media center. Stop by and learn about the exciting opportunities available to WMHS students through participation in the IB Program. The meeting will be geared primarily for parents and students currently in 8th, 9th, and 10th grades, but may be helpful as well for elementary school parents and students who wish to make long range plans to become involved in the IB program at WMHS. Please refer questions to the WMHS IB office (301) 840-3975, or email the IB Coordinator, Lisa Ingram, at Lisa_A_Ingram@mcpsmd.org.
