Dear Business Owner:

The Watkins Mill Community and PTSA will be celebrating the tradition of hosting a Post Prom. The Prom will be held on May 1, 2009, with the Post-prom immediately following at Watkins Mill High School. Last year we had a successful event with lots of support from the parents, the school administration, staff and our Montgomery Village community to which we were extremely grateful. Our students were provided a safe drug and alcohol free environment in which culminated in collecting fun-filled memories of their high school years.

During Prom season in Montgomery County, there are 11,000 students attending such events. Even the most responsible students can find themselves doing the wrong thing due to peer pressure. Such decisions can lead to tragic consequences. Sadly, no matter how hard safety is promoted each year and past tragedies are remembered and memorialized, our children still remain at risk. It takes many volunteers and substantial finances to make this evening a huge success.

As a successful business owner, we know you are aware of how important it is to support our children. We also know that our Watkins Mill families are some of your most loyal customers and friends. That is why we are asking you to join us to support our efforts to keep our children safe. We will publicize your generous support of our Post Prom celebration to the Watkins Mill community to ensure all families know who participated and have an opportunity to frequent those businesses.

Please make your tax-deductible check payable to Watkins Mill High School Post Prom Committee, or provide us with a description of the goods or services you would like to donate on the attached form. We will provide a document reflecting your contribution for income tax purposes.
