  - E. Spring Sports Awards Night is 5/30; will have similar format to Winter Sports Night.
5. Treasurer's Report [L. Voight]  
[see attached]  
We have ~\$40,000 in the bank. \$5,000 is committed to landscaping project (see March minutes) and all bills are paid.  
Expenses pending: It's Academic (\$1000); Gym Banners (\$1850); Music Dept. trophies (\$800); Spring Sports trophies (\$800); "shares" to clubs for volunteering at Concession Stands.  
Board for 2006-07 needs to decide where to shelter some funds for future large funding needs.
6. Membership Report – none.
7. Commissioners' Report [O. Droggitis]  
Competitive Club Awards Night planning going smoothly, same as last year.
8. Concessions [A. Postar for A. Swindale]
  - A. Need team volunteers for 5/3 Lacrosse double-header.
  - B. Will need play-offs coverage.
  - C. Woodward Relays generated \$3000 in sales (very busy).
9. Giant Gift Cards [A. Postar for L. Knecht]  
We have resolved question about Food/Consumer Sciences Teacher purchases.
10. Mulch Sale [A. Postar for M. Postar]
  - A. Successful. Weather good, deliveries went quickly, good profit earned for first year.
  - B. Minor damage to one rented delivery truck. Repair estimate pending – will notify Board electronically of cost.
  - C. New Chairman will be needed (due to graduation) if we want to do this next year. Not much pre-sale work to do (most already in place from this year), really need solid set of reliable Delivery-Day workers. Suggested change: increase minimum delivery of 10 bags.
