

APPLICATION FOR SENIOR CLASS PLANNING 2012-2013

All applications must be typed and received by 8th period on **Tuesday 2/14/12**. Applications are to be turned in directly to Ms. Cresham (Room 153) or Ms. Rice (Room 161). Electronic applications will not be accepted.

The sponsors (Ms. Cresham and Ms. Rice) and the class administrator (Ms. Gomez) are responsible for selecting class members. Several criteria will be considered. No one criterion is determinative. We will be considering the information provided by students on their applications; school attendance records; past participation in Class of '13 activities; GPA; academic integrity; and respect accorded by faculty members.

Senior Class Planning involves the commitment of one class period for both semesters of the year and significant time spent on senior class activities outside of class as well. **Not being selected for the actual class DOES NOT PRECLUDE participation in Senior Class Planning.**
