Dear Parents & Seniors Class of 2010,

Each year members of the senior class and their parents are besieged with advertisements from independent portrait studios representing themselves as having entered into a business agreement with the school for senior yearbook portraits. Prestige Portraits by Lifetouch has been contracted as the official yearbook photographer for Thomas S. Wootton High School because of the quality, value & services they provide to the school and community.

Seniors of the class of 2010 will receive an appointment in the mail about 2 weeks prior to picture day. Picture dates for Thomas S. Wootton High School are listed below so please mark your calendar and watch the mail for your specific appointment time. Plan to take advantage of the special opportunities provided by the convenience of being photographed at school. Yearbook deadlines sneak up on us quickly and you'll want to be sure you're photographed in time to appear in important publications. Due to digital production of the yearbook all seniors should have their senior portraits taken by Prestige Portraits by Lifetouch in order to appear in the formal section of your yearbook.

Prestige Portraits by Lifetouch offers a variety of sitting plans to choose from allowing seniors to customize your senior portraits to suit your individual style. Information about these sittings will be included in your appointment brochure being mailed to your home. The Bronze, Silver and Gold sittings all offer yearbook poses as well as options to allow additional background choices and outfit changes such as your favorite sweater, sports uniform, personal props etc. Nostalgic black and white portraits are also available.

We hope that by providing this information to you early enough, you will have a clear understanding of the senior portrait process. Please don't be fooled by studios misrepresenting themselves as the official yearbook photographer. Prestige Portraits by Lifetouch can provide you additional information by calling us directly at 800-445-1189.
