

Support Wootton Artists!

Wootton High School's arts programs enrich our children's lives in many ways. If you are the parent, grandparent, friend, or neighbor of a Wootton student of the arts, you may have experienced first-hand their talents – in instrumental and choral music, visual arts, theater, dance, and literature.

The arts at Wootton are supported by a **dedicated staff** of teachers and administrators. They help to ensure that our children will not only develop skills and dedication but will also have an abiding love of the arts that will enrich all of our lives in the years to come.

Financial support for the arts is especially vulnerable in these tough economic times. **Wootton Patrons of the Arts**, a volunteer parent organization that supports all forms of art at Wootton High School, hopes to address this shortfall through a special fundraiser appeal.

How can you help?

1. Return this form with a donation of any amount.
2. Give copies of this form to **five friends or relatives** who have seen or heard the work of a Wootton artist. Remind them of the extraordinary art exhibits, theatre productions, and choral and instrumental music performances throughout the year and at the Annual Festival of the Arts.
