Dear friends,

RE: ACKNOWLEDGMENT LETTER FOR DONATION

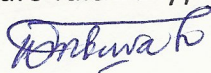

Greetings to you all at Wootton High School. On behalf of our school management committee, parents, teachers, pupils and the entire Kyaani primary school community, I want to take this opportunity to express our heartfelt gratitude to you for your donation of games and sporting goods to our school.

Through Kenya Connect, we are grateful to acknowledge receipt of a soccer ball, volley ball, net ball, hand ball, volley ball net, javelin, discuss, shot put, relay buttons, whistles and ball pump. Our pupils received these items joyfully.

Before your intervention, our school lacked games and athletics equipment. Our children had to result to using improvised materials like stones for shot put and sticks for javelin. Besides, they also improvised balls by rolling plastic bags and tying them with a string! These improvised materials were not of standard measure and size and therefore not quite ideal for use by the kids. We are very grateful for affording our children an opportunity to practice with authentic games equipment. We are confident that they will be able to compete effectively with their peers in other schools. Most important, the children will enjoy co-curricular activities while in school.

Once again, we thank you so much for your love and support to our school. May you keep up the noble spirit of reaching out to serve others. Bravo!

Yours faithfully,

David M. Matheka
Head teacher
