Thomas S. Wootton High School

Student Support Services

Mission Statement

The mission of Thomas S. Wootton High School, with its diverse and challenging program, is to provide an exceptional learning environment in which all students have access to quality instruction and rigorous coursework as well as extensive co-curricular activities and comprehensive support systems that both enable their academic success and prepare them to become lifelong learners and informed, productive citizens.

programs designed to help students
be successful through a collaborative
effort with all stakeholders

Explanation of Student Support Services

General

Edline

Teachers post calendars with due dates, assignments, readings, and grades. Please activate your account.

Contact: James P. Turner for activation code.

Classroom Teachers

Students should contact classroom teachers to discuss any problems they are having in their classes. Teachers can often provide support needed to help the student be successful in the class.

Contact: Individual Teachers

Resource Teachers

RTs are available to help students with any concerns that they may have about a specific class in a department.

Contact: Individual Resource Teachers

School Library Media Center

Media Specialists provide assistance with formulating researchable questions, locating and evaluating print and non-print materials, creating source lists, taking notes, organizing information, avoiding plagiarism, and presenting information using scanning, word processing, publishing, and video editing software. The media center also provides a quiet place to study.

Contacts: Anita Anderson or Sarah Way

Tutoring

Departmental

Teachers in each department tutor students during lunch. Information is posted on the Student Resources Bulletin Board or see your teacher for additional information.

Contact: Classroom Teacher

High School Assessment Center

Resource teachers arrange for tutoring for the Algebra, Biology, English, and NSL Government tests within their departments and provide additional support in room 108 during lunch.

Contacts:

Algebra I	Christopher S. Tucker
Biology	Jacqueline R. Alton
English	Kimberly M. Boldon
Government	Gaytania B. Maslow

Please also visit the Maryland High School Assessment Web site: www.mcpssha.org.
