## ON TRACK FOR GRADUATION

## Class of 2028

## FIRST YEAR NINTH GRADE: 2024-2025 MCPS Graduation Requirements at a Glance

**THE STATE OF MARYLAND AUTHORIZES 1 DIPLOMA** for all high school graduates, based upon successful fulfillment of four categories of requirements: enrollment, course credit, student service learning (SSL), and Maryland Comprehensive Assessments (MCA). Students must satisfactorily complete four years beyond Grade 8 to meet the enrollment requirement unless an alternative enrollment plan is developed and a waiver is approved as outlined in regulation ISB-RA. All other requirements are summarized in the table below. Please consult the online MCPS Course Bulletin for 2022—2023 at coursebulletin.montgomeryschoolsmd.org/Home/PlanningTools or your school counselor for further information.

COMPUTER SCIENCE, ENGINEERING OR TECHNOLOGY EDUCATION (TE)  1 credit designated TE. Courses satisfying this requirement are designated in the course bulletin and includes the study of computers and algorithmic processes or the application of knowledge, tools, and skills to solve practical problems and exten human capabilities.  4 credits of organized instruction in comprehension of literary and informational texts, writing, speaking and listening, language, and literacy, of which 1 credit shall be aligned with the Maryland Comprehensive Assessment (MCA) for English.  FINE ARTS  1 credit in dance, media arts, music, theatre, or visual art, or a combination of these.  4 credits, 1 including instruction in algebra aligned with the MCA for algebra or 1 or more credits in subsequent mathematic courses for which Algebra 1 is a prerequisite, and 1 with the content standards for geometry.  STATE REQUIREMENT FOR STUDENTS GRADUATING IN 2018 AND LATER: Students graduating in 2018 and later must be enrolled in a math course in each year of high school. This may result in students earning more than 4 credits in math for graduation.  PHYSICAL EDUCATION  1 credit  3 Next Generation Science Standards (NGSS) credits, including 1 life science credit aligned to the Life Science Maryland Integrated Science Assessment (MISA), 1 physical science credit, and 1 credit in Earth/space science or an NGSS course with the topics of Earth/space science integrated.  3 credits, 1 U.S. History credit, 1 World History credit, and 1 National, State, and Local Government credit aligned with the MCA for government.  2 credits of American Sign Language which may include 2 credits of American Sign Language which may include 2 credits in elective courses or more depending on POS  STUDENT SERVICE LEARNING (SSL)
computers and algorithmic processes or the application of knowledge, tools, and skills to solve practical problems and extenhuman capabilities.  ENGLISH  4 credits of organized instruction in comprehension of literary and informational texts, writing, speaking and listening, language, and literacy, of which 1 credit shall be aligned with the Maryland Comprehensive Assessment (MCA) for English.
