

Registering for an Animoto Account

Animoto is a web-based tool that allows you to combine graphics, photos and video clips to introduce new topics, create activators, and "bring your lessons to life." Animoto is free, or you can upgrade for a fee to receive more features. This quickguide tells you how to register for a free account.

Go to the website: <u>http://animoto.com/education</u> to apply for a free 6 month educator account.

Unlimited Videos For Ye It takes just minutes to create a video can bring your lessons to life.	ou and Your Students	

1. Complete the application(s) and click on "Submit Application".

You will see a message indicating that Animoto will get back to you regarding your account.

2. You will receive an invitation by email with your classroom giving you your "Classroom Code."

Hi,
Thanks for signing-up to use <u>Animoto</u> in the classroom!
Your Classroom Code is: A+ClabOct21
About your Classroom Code:
* It must be redeemed before December 15th * It gives you and your students 6 months of All-Access * When you'd like a new Classroom Code, re-apply for one at our education site! * When your All-Access runs out, re-apply for a Code at our site, and we'll set you up again!
**** We cannot respond to all education requests individually, so use the below resources to instruct you on how to use your code.
*** Read this PDF file on setting your students up: <u>http://animoto.com/education/getting_started</u>
*** Watch this YouTube video on your Classroom Code: <u>http://www.youtube.com/animotosupport#p/u/16/xy3jZoVmq30</u>

3. Once you have your e-mail notice and classroom code, log in to the website: <u>http://animoto.com/education</u> and "Sign In"
