FEBRUARY 2016

PRESIDENT'S MESSAGE

Greetings, and a belated Happy New Year! It's hard to believe that 2016 is already here. I hope you and your family had a happy and restful holiday season and that you are off and running on a fun filled and productive New Year.

At this time of year many of us make New Year's resolutions. As your president, I'd like to share some of my suggested resolutions, and urge you to adopt as many of them as you can as your own.

1. **Whereas**, membership in a strong retirees association helps to keep the legislature focused on continuing, funding, and strengthening our defined benefits retirement plan (for us and those who will follow us into our well-deserved retirement), **I hereby resolve** to maintain and promote membership in MCPSRA and MRSPA as the best "Retirement Insurance Policy" we can have.
2. **Whereas**, membership in a strong retirees association helps to keep the Board of Education and County Government focused on continuing and improving our retiree health benefits, **I hereby resolve** to maintain, promote and participate in active membership in MCPSRA.
3. **Whereas**, we are committed to assisting MCPS in providing the best possible educational experience for all children, **I hereby resolve** to increase my volunteer support of MCPS schools and programs.
4. **Whereas**, MCPSRA continues to actively support the students and staff of MCPS via its Special Projects and Scholarship programs, **I hereby resolve** to help support these programs by volunteering my time and through my increased financial support.
5. **Whereas** MCPSRA recognizes our collective and individual responsibility to the Montgomery

County community, **I hereby resolve** to help support programs such as the Josiah Henson Park by volunteering my time and through my financial support.

6. **Whereas**, being an MCPS Retiree allows me to have the time to participate in fun filled travel and social events, **I hereby resolve** to take full advantage of the social and educational opportunities provided by MCPSRA's trips and luncheon and social programs.
7. **Whereas**, none of the above can continue to occur without the dedicated time and effort of MCPSRA members volunteering to serve the association as board members, volunteers for special projects, etc. **I hereby resolve** to increase my participation in the operation of MCPSRA.

Please read through the rest of this newsletter to find specific ways you can accomplish many of these resolutions.

See you at our Luncheon, February 18, at Normandie Farms.

Steve

CONTRIBUTE TO JOSIAH HENSON PARK AND MCPSRA WILL MATCH IT

MCPSRA has resolved to help support the establishment of the Josiah Henson Park in Bethesda. You can help too. Make your tax deductible contribution check out to [Montgomery Parks Foundation](#) and mail it to our Treasurer, Dr. Ken Muir, 3100 North Leisure World Blvd # 508, Silver Spring, Maryland 20906. We'll match it, and send it on to help move the Josiah Henson Park - Museum and Educational Facility Project forward so future generations of Montgomery County residents can learn about our history, and the courage of this individual in the fight for freedom.

WHY DO WE DO IT?

Recently in an on line interview, I was asked to respond to a series of questions about our **Toolkits, Books, and Backpacks Project** and my involvement over the many years of its existence. After hours of reflection, I attempted to put my thoughts into words that might inspire others to become just as passionate about our project as I am. Let me share a few of my responses.

1.) What is your involvement with the Toolkits campaign? Why did you get involved? Shortly after retiring in 2004, I joined the MCPS Retirees Association and learned of the association’s initiative to provide toolkits of school supplies to economically challenged Title I summer school kindergartners. When I retired and walked out of my classroom for the last time, I did not leave behind my love for nor my commitment to the children of Montgomery County. I knew that there must be something out there that I could champion to continue to be a contributor to the well-being and education of children and here it was!

2.) Why is the toolkits campaign important or valuable to the MCPS community, to you? I have always known that in every school district and in every community across this nation there are many, many children from families that experience the misfortune of living with the hardships of poverty and need. But I had no concept just how many families right here in Montgomery County face this every day until I got involved with this project. People have to know how devastating it is to these parents when their children get their school supply lists in the fall and they have no means to go out and buy these supplies. These children are entitled to the same chance as any other child in our school system. Every child is special! “Somebody must have thought I was pretty special!” said one little boy to me as I handed him his kit and told him that someone had donated the money just so he could get one. That’s why this project is important to me and most especially to the children we have dedicated our lives to serve. Our future as well as theirs depends on how committed we are to their education and well-being today.

3.) Why did you decide to stay connected with MCPS post-employment or what inspired you to stay connected? I have always been proud to be a teacher in a county where education is considered a top priority and its school system remains top-rated throughout the entire country. It was a difficult decision to retire because I so wanted to somehow continue to touch the future by investing some of my new-found “free” time assisting children in the learning process. By joining the MCPSRA I have been able to share additional energies and talents to the benefit of not only retired school personnel but children county-wide. When formulating my answers to these as well as many other questions, I felt that I was speaking for all of our members as well who have worked on or supported this project over the past twelve years. I wanted others to know just Why do we do it?

Fundraising each year is by far the most challenging aspect of the entire project was my response to another question. Hopefully, you as members of MCPSRA realize just how important our project is and will continue to support it with your time, talents, and generosity now and in the years to come. We **NEED** your commitment right now to ensure the project’s success this coming summer. **PLEASE** fill out the form below and send it in along with a tax-deductible contribution as soon as possible. Thanks SO much!

Joan Donovan, Toolkits Project Co-Chair

REMINDERS ABOUT THE MCPSRA TRAVEL PROGRAM

1. We all travel at our own risk. When signing up for one of the sponsored trips, participants accept all liability for any loss, damage or personal injury related to that trip and hold MCPSRA, its Officers and Board harmless should any accident, injury or loss occur.
2. There is always some walking involved as we travel. Read each itinerary carefully, keeping in mind your own capabilities.
3. Itineraries, times and details are approximate. Changes are sometimes necessary and unavoidable.
4. Trips are open to members, their families and friends (adults).
5. Smoking and drinking of alcoholic beverages are not permitted on the coach.
6. **PLEASE OBSERVE THE DEADLINES FOR RESERVATIONS AND PAYMENT.** We have to make commitments by the dates indicated so this is very important in making a trip go or having to cancel for lack of participation.
7. About three to five days before a day trip, participants are called to remind them of the day and departure time of the trip. For overnight coach trips, about two weeks prior to the date of departure, participants will get a letter with up-to-date information, including parking details. One baggage tag per person will be mailed to each participant.
8. Write a separate check, payable to MCPSRA, for each trip. Include the name and date of the trip on each check. Send your check with your completed reservation form. Your reservation will be definite upon receipt of your deposit/full payment, whichever is required. If a trip has to be cancelled because of insufficient numbers of participants needed by the published deadline, your check will be returned to you. Please feel free to call to find out if your reservation and payment were received.
9. Refunds are made only when your space can be filled.
10. Gratuities for driver and local guides are not included in the price of the trip.
11. We do not provide transportation to and from the airport for trips that require flying.
12. Those interested in purchasing travel insurance for overnight trips should call Ellen at Eyre Tour and Travel at: 301-854-6600/ext. 3252, or 410-442-1330/ext. 3252, or 1-800-321-3973/ext. 3252.
