The cafeteria continues to offer the convenience and flexibility of a computerized cash register system. Depositing funds into a cafeteria account eliminates the need for a child to carry money every day. Students enter their Personalized Identification Number (PIN) to access their account. The PIN for students returning to the same school remains the same. New students receive their PIN on the first day of school. Any money left on a student's account last year is available for spending this year. Pre-payments to a student's account may be made prior to the start of school.

To make a prepayment:

- Use **MyLunchMoney.com**, an online service to make a prepayment using a credit card. Parents can also check meal account balances, sign up for recurring payments and much more. Go to **MyLunchMoney.com** to register.
- Complete the form below and include a check payable to the cafeteria. Please put the child's first name, last name and PIN number on the front of the check.
