MEMORANDUM

To: All Principals

From: Andrew M. Zuckerman, Chief Operating Officer 

Subject: INFORMATION—Food and Nutrition Services Fiscal Year 2019 Program Updates

Summary

This memorandum provides Food and Nutrition Services updates for the 2018–2019 school year including meal prices, Free and Reduced-price Meals System (FARMS) application process changes, and the elementary school menu for the first week of school.

Meal Prices for the 2018–2019 School Year

The Board of Education approved meal prices to remain the same as last school year. Fees for the 2018–2019 school year are as follows:

<u>Breakfast—All Grades</u>		<u>Lunch</u>	
Regular price	\$1.30	Elementary schools	\$2.55
Reduced price	No cost	Secondary schools	\$2.80
		Reduced price	\$0.40

FARMS Application Process Changes

The 2018–2019 FARMS application will be available for households to complete and submit online. Completing online applications will decrease the amount of time necessary for processing. Translations of the online application also will be available. Printed applications will still be sent to each school for distribution to all students; however, applications will no longer be prefilled with student information. The printed application will look different because it will be a scannable form, the form will be in color, and original copies will be required for processing. Application forms should not be duplicated as the original color document will be required for scanning.

Additional information and updates will be provided in July 2018.

Elementary School Menu

The elementary school menu for the first week of school is attached.
