

## *Germantown Elementary celebrates 75 years*

BLANTON STUDIOS

Students and staff of Germantown Elementary School donned matching T-shirts and posed for this photo to mark the school's 75th anniversary this year. The school has 291 students and all those who were present Dec. 10 appear in the photo. GES parent Nelton Castro, a graphic designer, designed a red and white 75th anniversary logo to go on the navy blue shirts, which were ordered in extra large sizes so they could be worn over coats. Principal Amy Bryant said the school is planning a big anniversary celebration in the spring.
