We are One Community...One School...with One Goal...
"The Academic Excellence and Happiness of Every Gator"

Dear Glenallan Families,

August 5, 2016

I'm excited and extremely proud to welcome you and your child to the 2016 – 2017 school year. Welcome to the Glenallan Elementary School, your community school, the "Home of the Gators." The staff and I want to thank you for your partnership and support last school year and anticipate excellence for every Gator this year. As a result of working together, we have experienced tremendous success. Our students continued to demonstrate substantial growth in reading and math on multiple assessments. We will continue to focus on every child's progress in literacy as their reading ability is the foundation for success in all areas and a proven indicator of future academic and life success.

The Glenallan community has gained a well-earned reputation for focusing on the development of the whole child. Children need to be exposed to a wide range of content areas and interests. We believe this exposure may lead to them finding their talent and at even an early age, what they want to pursue in their education and life. This worthy focus resulted in our students experiencing extraordinary success. As a result of the world class learning our students receive in our STEM academy and in classroom science and math instruction, multiple students competed in competitions against other schools throughout the county. I am proud to share that groups of students received first, second, and third place recognition in these county wide competitions. They were recognized for building bridges that supported specific weights, developing cars that moved at high velocities, and shuttle arms that could pick up and move objects. I am most proud that they competed in teams. Teamwork and collaboration are fundamental skills that we focus on at Glenallan. Working together to problem solve is a much needed skill to be successful in the 21st century. Additionally, Governor Hogan recognized us as a Green School. This was a result of our focus on environmental engineering through our partnership with the Green Kids Organization and Brookside Gardens. This year we hope to pursue our "Green Ribbon School" status as a result of our continued focus on horticulture, community service projects, and creating environmentally friendly inventions to promote energy conservation and clean water

Our instructional focus will be to continue to differentiate your children's educational experience as a result of their academic readiness, interest, and learning styles. We have the privilege of working with students from different backgrounds, experiences, intelligences, and interests. We must continue to seek to understand these differences and use this understanding to deliver instruction that honors individual differences. Our students, your children, deserve an equal opportunity to learn in an environment where they are not expected to learn the curriculum in the same way, at the same time. A teacher's respect for individual differences among and between learners is the definition of differentiation. Differentiation is complex, difficult to prepare for, and requires an extremely thoughtful approach to teaching and learning. This year we will take the next steps in this mission.

If we are going to raise the expectations for our students, we need to raise the expectations for ourselves and one another. Your children have greatness inside of them and it is our jobs together to recognize this greatness and nurture it for all to see. Each year, my motivation and enthusiasm grows. Your children are a source of this motivation and enthusiasm. We share the responsibility and privilege of educating the future of our country. When the staff and I look at your children, we see people who will use their creativity to be inventors, their intelligence and problem solving to cure diseases, their kindness and compassion to lead and advocate for others. We see lawyers, doctors, teachers, engineers, musicians, athletes, maybe even the next president. Children rise to high expectations and if they are going to reach them it is our hard work and smart work that will get them there.

The other day I was at our book bank, spending some time talking with a soon to be 4th grade student. I asked him if he was excited for school to begin and he said, "Yes, this is going to a **"big"** year for me." I went home and thought about that remark. Every year as our children pick up school supplies or a new shirt for the first day of school, they are filled with the hope that this will be "a big year for them"- the year they reach goals, the year they get a P in Math, the year they are recognized for their character, the year they get up in front of an audience and sing or play a new instrument, and the year they make you, their families proud. Together, let's fulfil this hope for every student. My grandfather always used to tell me, "Expect big things, and big things will happen." I expect big things for the Gators this school year!

Peter Moran
Principal

We are One Community...One School...with One Goal...
“The Academic Excellence and Happiness of Every Gator”

August 5, 2016

Dear Glenallan Community:

I am very pleased to write to you as the new principal intern at Glenallan Elementary School. I am excited to be serving the community and working with the dynamic Mr. Peter Moran. As a principal intern, I will be working closely with Mr. Moran in preparation to lead my own school.

My commitment to ensuring that every student achieves at a high level as a result of being actively engaged and challenged in a supportive learning environment is in direct alignment with the vision of Glenallan. To ensure this vision is realized for our students, I will work closely with students, parents and staff members. As a veteran administrator I worked for the last two years as the assistant principal at Cannon Road Elementary School. Previously, I was an assistant principal at Forest Oak Middle School for seven years. I bring to the Glenallan community a positive and nurturing attitude with a focus on high expectations and the development of student leaders. My experience as a middle school assistant principal provides me with the perspective of what awaits our children as they leave elementary school and how to best prepare them so that they can continue to be successful and productive students and citizens of our community.

In addition to being an administrator I am a wife and mother of two, a daughter who attended Glenallan and is a 2016 graduate of Northwood High school, and a son who will be a sixth grader at White Oak Middle School. My time outside of school is spent relaxing with friends and family and searching for an exercise program that I enjoy.

If you come to the school over the summer please stop in and introduce yourself. I look forward to having a successful and fun year working with and for your children.

Respectfully,

Candace Ross
Principal Intern

Hello Glenallan Community,

I am excited to serve as President of the Glenallan Elementary School Parent-Teacher Association (PTA) for the 2016-2017 School Year! The PTA Board and Committee Chairs, along with Mr. Moran and Mrs. Ross, have been working hard together to plan for the upcoming school year. We believe that this year will be one of the best years at Glenallan Elementary School!

The mission of the PTA is to:

- to support and speak on behalf of children and youth in the schools, in the community, and before governmental agencies and other organizations that make decisions affecting children;
- to assist parents in developing the skills they need to raise and protect children;
- and to encourage parent and public involvement in the public schools of the nation.

<http://www.mccpta.com/mccpta.html>

The PTA is a vital part of the Glenallan community and the PTA's success depends on you! I am not only a parent of four children but a Montgomery County Public School (MCPS) educator, and I understand the different challenges that each family may face. However, I also understand the importance of supporting our school and community through the PTA.

The following are some ways that you can support the PTA:

- ✓ Sign up to be a member and/or sponsor an event
- ✓ Bring your families to events and fundraising nights throughout the year
- ✓ Volunteer for at least one event
- ✓ Follow us on Twitter, Face Book and/or sign up for emails to receive communications
- ✓ Let us know through phone and/or email if you have any suggestions, questions or concerns

The board and I look forward to working with you throughout the school year. Please do not hesitate to contact us for any reason.

Sincerely,

Mitzy Seyoum
President,
Glenallan Elementary School PTA

Glenallan Community Vision

We are a united, multicultural community of students, families, and educators committed to; cultivating a love of learning, developing the character of great people and empowering children with the knowledge and skills to excel as productive citizens in the 21st century.

Glenallan Community Mission

We are One Community...One School...with One Goal...The Success of Every Gator.

Glenallan Instructional Focus

We will increase the achievement of all students, with a specific focus in reading and math, by providing daily, differentiated instruction that is matched to student needs as determined by consistent data analysis.

Student Enrollment – We Are Growing!!!

Our student enrolment has increased by well over 100 students in the last year. We are preparing for a potential significant increase in enrolment. To date our total school enrolment is 652 students. Currently, we have 98 kindergarten students enrolled, with the potential of many more enrolling in the next month. If the numbers do increase, we will be working to ensure class sizes meet MCPS guidelines. Below is a table that shows our current enrolment numbers and average class sizes:

Grade	K	1	2	3	4	5
Enrollment	107	107	122	115	100	101
Avg. Class Size	18	18	17	23	25	25

School Hours

First day of school begins on Monday, August 29, 2016.

School Hours (Kindergarten – Grade 5)	9:00 a.m. – 3:25pm
Head Start Hours	9:00 a.m. – 12:25 p.m.
Teacher Hours	8:15 a.m. - 3:45 p.m.
Students Enter the Building	8:40 a.m.
Morning Announcements	8:55 a.m.
Instruction Begins	No later than 9:05
Early Dismissal	12:55 p.m.
Two Hour Delay	11:00 a.m. – 3:25

- ✓ The late bell rings at 9:00. Students arriving to school after this bell rings **MUST** report to the main office to order lunch and get a late pass to class.
- ✓ Dismissal begins at 3:25.

Attendance

If your child is absent, please contact the school to make us aware. If it is over night or before office hours, please leave a message informing us that they will not be present at school. Please make every effort to have your child here before 8:55 a.m. Instruction begins promptly at 9:00 a.m. and it is important that all students begin the day understanding the objectives and being prepared for success. **Last school year, we had many parents requesting that their child be repeatedly dismissed earlier. Please understand that instruction does not end until 3:20 p.m. and every minute of learning is important.**

Please work with your child to establish a plan for how they are getting home after school. Students need to know before they leave for school if there are any changes to their dismissal. Any confusion with this process is a safety concern. Please discuss after school plans with them repeatedly to ensure safety.

Morning/Arrival: Breakfast

All students at Glenallan Elementary School will have the opportunity to eat breakfast in their classrooms each morning at no charge. Breakfast will include milk, juice or fruit, and an entrée such as French toast sticks, bagels, breakfast sandwiches and yogurt. Breakfast will be delivered to the classrooms and students will eat in their classrooms as they arrive at school. This program, titled 'Maryland Meals for Achievement' (MMFA), is funded with money from the Federal School Breakfast Program and the Maryland State Department of Education. Our school is one of 50 Montgomery County Public Schools that will be offering this wonderful classroom breakfast program. We invite your child to start the day ready to learn by joining his or her classmates for a nutritious breakfast at school each morning. Students will be able to enter the building at 8:40 a.m. and report directly to their classroom to finish their breakfast before teaching and learning begins. If you have questions, please feel free to contact the school office (301) 929-2014.

Dismissal Process

We are committed to an organized and safe dismissal process. Staff will be stationed on the inside and outside of the school to supervise this process. **Our kindergarten students will be the first to be dismissed, no earlier than 3:20.** All kindergarten bus riders will be placed in lines and walked out through the doors to the bus loop. They will be the first students on buses so they can be in the front of the bus so they are in close proximity to the bus driver and patrols. Grade 1 and Grade 2 students will follow. They will exit through the same blue doors that go directly to the bus loop. (All bus stop locations/pick up times/drop off times are at the end of the summer mailing)

All car riders will be dismissed from the front of the building, where they will be escorted by staff members to their car. All parents in the car pick up area will be provided with a number to make the process as quick and organized as possible. Please post your number in the window of your car or on the dashboard. Please do not get out of your car and enter the school to get your child. Please make sure that you pull all the way up to the orange cone so we can get cars off of Heurich Avenue.

All walkers will be dismissed from the black top adjacent to the playground. Kindergarten – Grade 2 Teachers will accompany their walkers and have an exchange system that ensures safety and security when parents/siblings pick up their child. Grade 3 – Grade 5 walkers/car riders will be dismissed at 3:30 and will exit through separate doors then the primary students. At this time, upper grade students may pick up their siblings from their classroom teacher. There will be staff stationed at different exit locations in the back of the school. **Students may not cross the street at the intersection of Heurich Road and Randolph Road. They must cross at the designated cross walks on Randolph Road.** These procedures will be thoroughly reviewed with students on the first day of school and throughout the first weeks of school.

Birthdays

Due to student allergies, minimizing interruptions to our cafeteria process as a result of growing student enrollment, and that many parents are not able to come to school to celebrate birthdays, **we will not be having classroom parties for student birthdays.** This means that we are requesting that parents do not bring cupcakes or cake to school to celebrate with their child's class. We will celebrate birthdays by announcing student's names on our morning announcements and having students come down for a birthday pencil. Teachers will also have students compose birthday cards/letters as an opportunity to focus on an important form of writing.

Staff Updates

We are happy and excited to welcome the following new members to the Glenallan team. All are well qualified in their disciplines, and I am certain each new staff member will contribute to maintaining a positive school climate and strong instructional program.

Staff Member	Position
Nia Qadaffi	Head Start Teacher
Lydia Glover	Kindergarten Teacher
Sarah Randles	Third Grade Teacher
Elizabeth Lando	Third Grade Teacher
Lane Kolyer	Fourth Grade Teacher
Candace Lattimore	Fifth Grade Teacher
Jean Nguyen	Speech Pathologist
Jennifer Schmorrr	.3 ESOL Teacher
Gasa Anderson	Focus Teacher - ESOL
Jose Gonzalez	Building Service Assistant Manager
Chana Fogel	Paraeducator
Ginny Wahl	Math Focused Paraeducator

We are sorry to say good-bye to several Glenallan staff members and wish them the very best in their new positions. Mrs. Christy Welsh accepted a position as a consulting teacher in MCPS, Mrs. Nicole Walsh has relocated to New Zealand with her family, Mrs. Shyleen Mayer will be teaching Grade 6 at Lee Middle School, Mrs. Shannon Shry accepted a speech pathologist position in Pennsylvania, Ms. Julie Rodriguez will be teaching ESOL in Boston, and Mrs. Elena Villatoro accepted a building service position at Piney Branch Elementary. In addition, the following teachers will be taking their knowledge, experience, and ideas to new teaching positions at Glenallan:

Staff Member	Position
Stacie Edhegard	Kindergarten Teacher
Emily Ali	Grade 2 Teacher
Justine Pfeiffer	Grade 3 Teacher
Ursula Davies	Grade 3 Teacher
Amra Nansimbi	Grade 4 Teacher
Amanda Carbone	5 th Grade Math/Academic Intervention

Open House

- ✓ **Open House is on Friday, August 26, 2016 from 10:00 – 11:00 p.m.** Parents and students have the opportunity to visit the classroom and meet their teachers. “Welcome Back” postcards will be sent to students by their new teachers during the week of August 22, inviting them to the August 26 Open House.
- ✓ We would like to continue to open up the doors to our parents so they can spend some time with their children within the classroom. Therefore we will be holding three additional open houses during the course of the school year. The dates and times are as follows;
 - October 10, 2016 9:00 – 11:30 a.m.
 - December 23, 2016 9:00 – 11:30 a.m.

Back-To-School Night

Please mark your calendar for our annual Back-To-School Nights. To support the successful transition of our kindergarten students, we will be having two back to school nights.

Kindergarten, Thursday, August, 25 2016 7:00 – 8:00 p.m.

Grade 1 – Grade 5 Thursday, September 15, 2016 6:30 – 8:00 p.m.

Keep informed, Keep in Touch, Stay Involved

On the first Friday of each month, we will send home electronic information about school operations and special activities in the Gator Gazette. Grade level news and news from specialists will be included in this monthly newsletter. Please refer to our website for updated information at www.mcps.k12.md.us/schools/Glenallanes

In addition, please follow Glenallan through twitter @GlenallanES

Character Counts

The development of good students, but also great people is part of our mission at Glenallan Elementary. Each month students will receive guidance lessons about character traits; for example, respect, perseverance, responsibility, honesty, and citizenship. We will focus on one character trait each month. Students who demonstrate this character trait consistently in the classroom, hallways, cafeteria, and on the school bus will be recognized by their classroom teacher. As a result of this, these students will receive a medal at our awards ceremony and have pancakes with the principals on the final Friday of the month. In addition, their names will be published in our monthly newsletter and on the school website.

Visitor Procedures

We welcome visitors at Glenallan and appreciate volunteers. All visitors must sign in at the front office and wear a visitor sticker at all times when in the building. If a sticker is not visible, staff members will ask that you return to the office and put one on. If you wish to visit your child’s classroom, please provide teachers with notification through email, writing, or by phone 24 hours in advance. This notification is a courtesy to teachers and can be helpful in minimizing distractions for students. Please note that the only available entrance for anyone to enter the building after 8:50 is through the main doors through the blue rotunda. All other doors will be locked throughout the day. Additional information will come home with your child related to school security.

Glenallan School Supply List 2016 - 2017

Kindergarten

Backpack (sturdy and large enough to fit folders)	1 three prong folder
1 two-pocket folder	1 pack washable markers
