

Crowd Cheers, Teachers Win First Hoops Game

By Jasmin and Jaden

On Tuesday, Dec. 13, 2011, Glenallan had its first basketball game. It was the teachers vs. the kids. Mr. Fox was the referee and Mrs. Lyons was the person who announced the players.

The game was awesome. Mr. Moran made lots of slam dunks. I think he shouldn't have played because he was too good. But he helped the kids because he lifted Alexa Gourdain up and let her make a slam dunk. When there were free throws, Myles Lewis made most of them. The crowd was yelling very loudly. The students looked like midgets compared to the adults. Mr. Kogok was really good and so was Mr. Moran. The students got a 20 point advantage at the beginning, but the staff still won! The score was 47-35.

The teachers who played were Mrs. Gottshall, Mrs. Stewart, Mr. Kogok, Ms. Yetter, Mr. Moran, Ms. Raiford,, and Mr. Leitzel. The students who played were Meher Hemnani, Alex Vaughn, Jasmin Littleton, Jennifer Lopez, Kevin Kirby, Dina Kamil, Myles Lewis, Alexa Gourdain, Fitsum Girum, and Tai Sealy.

All the players worked together and overall everyone had fun.
