

**Student Article: “Gators on the Move”** *By: Dina and Victoria*

Moving from Glenallan to Fairland was very smooth and a blast. We received a lot of help to make it look better. Now Fairland feels like home. Fairland is an adventure to get too. The classrooms are just like Glenallan’s classrooms, just perfect with the same space. Fairland has a lot of portables. Even though it looks like we have a lot of classrooms we don’t, we have just enough. The hallways are shaped like a big circle so you never get lost. The entrance is also the exit. Recess is a lot of fun because of the jungle gym and the obstacle course. You can climb almost everything outside; the rock climbing wall is the most fun to climb. There is also a basketball court and a big field for the Glenallan Gators. Fairland is spacious and the classes are easy to go to anytime. We are comfortable here at Fairland because we are going to be here until June 2013.
