President's Message

Happy Spring at Last!

We are sure everyone is looking forward to SPRING!! Another month of snowy weather has passed but the LES PTA has been focused on Spring with the planning of our Spring events well under way.

LES just held our ever successful International Night. This event was well attended and highlighted the creativity of our students and the diversity of our LES community. Many thanks to all of the families who came out to share their heritage with samples of delicious food and interesting facts about their culture.

LES is going to ring in Spring with its Annual Variety Show at Magruder High School : LES – Gone Country. We are looking forward to seeing the students show off their many talents. Next on the agenda when Spring is in full bloom, we celebrate with The SPRING Festival in May. Be on the lookout for an information packet that went home. There are lots of opportunities to help so please take the time to see how you can participate. The packet also presents the following opportunities: festival sponsorship, ticket purchase, t-shirt orders, fun run and parade registration, among other things. Send it all in, check it off your list and be ready to enjoy the day!

Laytonville PTA is in need of a Treasurer for next year. The treasurer is responsible for the financial side of the PTA, keeping track of the budget, writing checks and being the bank liaison.

It requires very little attendance at the school during the day and our current treasurer has the process all set up and will train you on Quick Books. Please take a look at this opportunity and see if it might work for you, it is a great way to give back to the school and to be involved. Please contact us to discuss if you are interested.

In addition to the treasurer, we will soon have the list of open chairperson positions. Please start thinking now about how you want to be involved and how you can help. We have a fabulous PTA and it is because of our fantastic community of parent volunteers. There are all sorts of opportunities that can fit into any time schedule. Please be on the lookout for the list and let us know what you would like to do.

We are looking forward to the first flowers popping up through the ground and to all of our upcoming LES activities this spring. Thank you to everyone who makes these events happen. We hope to see everyone around the school and at the events.
