Student Planners

Our school has produced a student agenda book that is available for student purchase. This agenda book is not graded or used as a hall pass, but it is used by teachers to help your child track his/her assignments and to let you know of assignments that are due. While this is a voluntary purchase, we strongly believe a student agenda book is a valuable organizational tool to help you and your child monitor completion of assigned tasks. If you do not want your child to purchase the school's agenda book, please provide a tool your child can use for the same purpose. These planners can be purchased from the school. The cost for each grade level planner is:

3rd Grade - \$2.75

4th Grade - \$2.75

5th Grade - \$2.75

If you would like to purchase a planner for your child, please send cash or make checks payable to Luxmanor Elementary School.

Headphones

If you would like to purchase an individual set of headphones for your child to use, please send in \$3.00. These will be your child's set until they leave Luxmanor. Provided that they do not lose or break them, they will not need to purchase another set again. If you decide not to purchase an individual set, your child will be able to use the headphones provided in the classrooms.
