The S. Christa McAuliffe Elementary PTA welcomes you to our school and invites you to join our group of highly motivated people who are committed to working together to offer an exceptional educational environment for our children. Our participation in our children's education demonstrates the importance of school and helps them achieve academic success.

### McAuliffe PTA's Goals for 2012-2013:

- To continue to provide an environment of growth and communication between students, teachers and parents such that all are benefited.
- To increase diversity in PTA membership and participation.
- To increase PTA membership by at least 10%.

Please join us today and help us reach our goals!

*Joining the PTA does not automatically obligate you to volunteering, joining a committee or attending meetings but we hope you will consider doing them! Please check out the back of this form for volunteering opportunities!*
