Irish Musical Arts and Dance (MAD) Week is a non-profit cultural enrichment program. For the past 15 years, MAD Week has provided teens and adults who wish to pursue their interest in Irish music and dance with classes featuring masters of the traditions. MAD Week Youth Camp evolved to provide creative enrichment opportunities for younger kids, in response to requests from MAD Week participants for a kid-centric MAD Week experience.

We've developed engaging programming, talented staff, and effective child safety protocols — all to ensure a great experience for our campers and their families! Our kids spend every day of the camp week surrounded by world-class Irish music and dance and have the support to dive in for themselves, at their own pace.
