CODING

GEORGE B. THOMAS, SR. LEARNING ACADEMY

I believe in me!

AN INTRODUCTION TO COMPUTER PROGRAMMING THROUGH CODING ACTIVITIES

2020

SIGN UP FOR INTRODUCTION TO CODING!

Are you looking for one of the most popular programs around? This is it! **Saturday School's** innovative class for elementary and middle-schoolers teaches computer programming skills through a variety of coding activities using **Google CS curriculum/scratch**.

These fun classes are perfect for kids who have great imaginations, like figuring out how things work or simply love technology.

The theme for the next session of classes is **Music & Sound** for the elementary class and **Art** for the middle school class.

Where: Saturday School Center at Einstein High School

Two Second Semester Coding Classes:

- January 25 and February 1, 8 & 22
  with showcase on February 29, 2020

- March 14, 21 & 28 and April 4
  with showcase on April 18, 2020

Time: 9:00 to 11:00 a.m.

Cost: $125 for each Coding Class (five-sessions)

Who: - Elementary class for students in grades 3 to 5
- Middle school class for students in grades 6 to 8

How to Register: Email Cara Grant, Center Director,
at Cara_D_Grant@mcpsmd.org
