

What a lousy day

By Jethro

First I break my ankle

Then I break my knee

Then get detention

Then my basketball teacher kicks me off the team

Then he gets mad at me

Then I find out I'm not going to college

But I'm going to be held back in 12th grade

I'm never going to get a job or even a diploma

Now I'm walking home

When I got home I saw my report card

All A's and everything was a joke

My mom had just finished packing my stuff

So I can go to college

I guess today wasn't so bad after all.
