## Back-to-School Nights

Back to School night for parents of students in grades K, 1, 2, and SCB will be held on Tuesday, Sept. 9 at 7 pm. Back to School night for parents of students in grade 3, 4 and 5 will be held on Wednesday, Sept. 10 at 7 pm.

The evening is a great opportunity for parents to meet their child's teachers, learn about the curriculum, and find out other important information about school procedures and expectations.

Please remember that this is an adults only event. We want each of you to be able to relax and give your undivided attention to learning more about your child's upcoming school year.

**Do your kids  
come home  
without their  
belongings?**

## Label...Label...Label...

Each year children forget or lose many items of clothing. When these items are brought to the lost and found, children do not usually recognize their property and we are unable to return these items to their owner. **Please label all clothing (coats, hats, gloves, etc.) as well as lunch boxes and backpacks so we can help return lost items to your children.**

## Emergency Preparedness

### HOW TO RECEIVE EMERGENCY INFORMATION FROM MCPS

MCPS parents can receive emergency information from the school system in a variety of ways including *MCPS QuickNotes*, Alert MCPS, Twitter, the MCPS website, MCPS TV, and a recorded telephone information line. Please visit

[www.montgomeryschoolsmd.org/emergency](http://www.montgomeryschoolsmd.org/emergency) for more information on how to keep in touch with Montgomery County Public Schools and stay informed in times of emergencies.

## Change in Plans?

Should your child be going home a different way than is normally scheduled, please send a written note in with the teacher that morning. If it is too late to send a note, please call the main office.

Please do not rely on email to office staff or an email to the teacher to relay this information. It is hard to predict when the computer server may go down or the teacher/staff member is not able to get to his/her email.

### ***CURRICULUM 2.0: BUILDING A STRONGER FOUNDATION***

MCPS is continuing to introduce its improved curriculum for the elementary grades—Curriculum 2.0. It is designed to provide a strong foundation in the areas of reading, writing and mathematics, while placing a renewed emphasis on other areas, such as social studies, the arts and physical education. Curriculum 2.0 also helps students develop the creative and critical thinking skills that are important for success in the 21st century. This year, Curriculum 2.0 will be implemented in grades K–5 in all schools. More information is available on the website at [www.montgomeryschoolsmd.org/curriculum/2.0/](http://www.montgomeryschoolsmd.org/curriculum/2.0/).

Superintendent Joshua P. Starr will deliver his third State of the Schools address at The Music Center at Strathmore on Tuesday, November 11, 2014.

Dr. Starr will share his vision for how we can prepare all students for success in their future. We also will celebrate the outstanding students of Montgomery County Public Schools. *This event is free and open to the public.*
