## **Using Destiny to Search Blake's Print Collection**

- 1. Set up the search by selecting the CATALOG tab
- 2. Choose LIBRARY SEARCH on the left toolbar
- 3. Choose the BASIC search tab for simple, single-word searching and POWER search tab for Boolean searching (which allows multiple search terms and the use of limiters)
- 4. REMEMBER YOU ARE NOT SEARCHING INSIDE THE BOOK (the way you can in the book's index), so your search terms should be a bit more general than they are when you are searching an electronic source such as a website or subscription database.

5. Your result list will show you the books CALL NUMBER and AVAILABILITY.
