Clarksburg Athletics fields 43 teams over three seasons for the students of Clarksburg High School. We primarily compete against the other 24 MCPS high schools. At the state level, we compete in the 4A West Region and are members of the Maryland Public Secondary Schools Athletic Association (MPSSAA). More detailed information about our program, teams and requirements can be found on our website www.CHScoyotes.org and on the county athletics site <http://www.montgomeryschoolsmd.org/departments/athletics>

Due to the Covid-19 Pandemic, we will be offering three virtual athletic seasons during the first semester. Each season will last for 5 weeks. More information and the link to registration can be found by visiting the Athletics website at www.CHScoyotes.org

Because of all the unknowns surrounding the pandemic, this is the plan for just the first semester of the 2020-21 school year. Information about the second semester will be released at a later date.
