

Date: _____

Dear Parent:

Thank you for inquiring about the Magruder High School Child Development program. Enclosed you will find an application form and a copy of the Montgomery County Public Schools Policies and Procedures for the Child Development Laboratory programs.

In order to hold a space for your child you must return the application form and fifty dollar **(\$50.00) NON-REFUNDABLE** deposit. Checks may be made payable to Magruder high School. The times for the **AM session are 8:20 – 10:45** and the **PM session is from 11:45 – 1:15**. The cost for the AM is \$225.00 and the PM is \$175.00. The deposit will be deducted from the tuition payment in the fall. Applications are dated as they are returned. Children who will be four years of age by December 31, _____ will be given priority over younger children.

This experience is ideal for children the year prior to kindergarten. Our preschool runs from early October through the first of June. We have school on Mondays, Tuesdays, Thursdays and Fridays, Wednesday is our seminar day. We follow the school calendar for holidays and half-day in-service days, the only exceptions are when school wide assemblies are scheduled, snow days and delayed openings.

At the top of the application form you will find a place to indicate your preference for a morning or an afternoon session. Please be flexible. If you are aware that you will be car-pooling with someone, please make a notation at the bottom of the form so that you will be assigned to the same session.

When your application and deposit have been received, you will be sent medical forms to be completed and returned in the Fall at the Parent Orientation meeting. You will be sent more specific information about the orientation and start of preschool in early September. Please feel free to call until June 25 if you have questions regarding this information. (301-840-4637)

Sincerely,

Mrs. Suzi Boyle
FACS Department Chair
Child Development Teacher
