Dear Parents/Guardians:

As many of you are aware, this summer has been a time for change within the Counseling Services Office. We are pleased to welcome Ms. Nancy Jimenez and Ms. Anita Elahi as new full-time counselors. Ms. Tara Vaglica has taken a counseling position in another high school and Ms. Debra Yakubik has taken a position as a Pupil Personnel Worker within the school system. In addition, Ms. Jennifer Gaston, although remaining with us, has chosen to move to the part-time counseling position.

In addition, Ms. Pilar Alfaro-Palacios, our ESOL counselor, has also taken a position as a Pupil Personnel Worker and we are working with the ESOL office to find a replacement.

Please see below our counselor assignments:
