

# IB Theater

Theatre is about transformation.

It is the application, through play, of energy and imagination to frame, reflect, expose critique and speculate. The Diploma Programme theatre course is designed to encourage students to examine theatre in its diversity of forms from around the world. This may be achieved through a critical study of the theory, history and culture of theatre, and will find expression through workshopping, devised work or scripted performance. Students will come to understand that the act of imagining, creating, presenting and critically reflecting on theatre in its past and present contexts embodies the individual and social need to investigate and find explanations for the world around us.
