

Theory of Knowledge ToK

HOW
do you know
what you know?

What is
morality?

What is
TRUTH?
Can you think
w/o language?

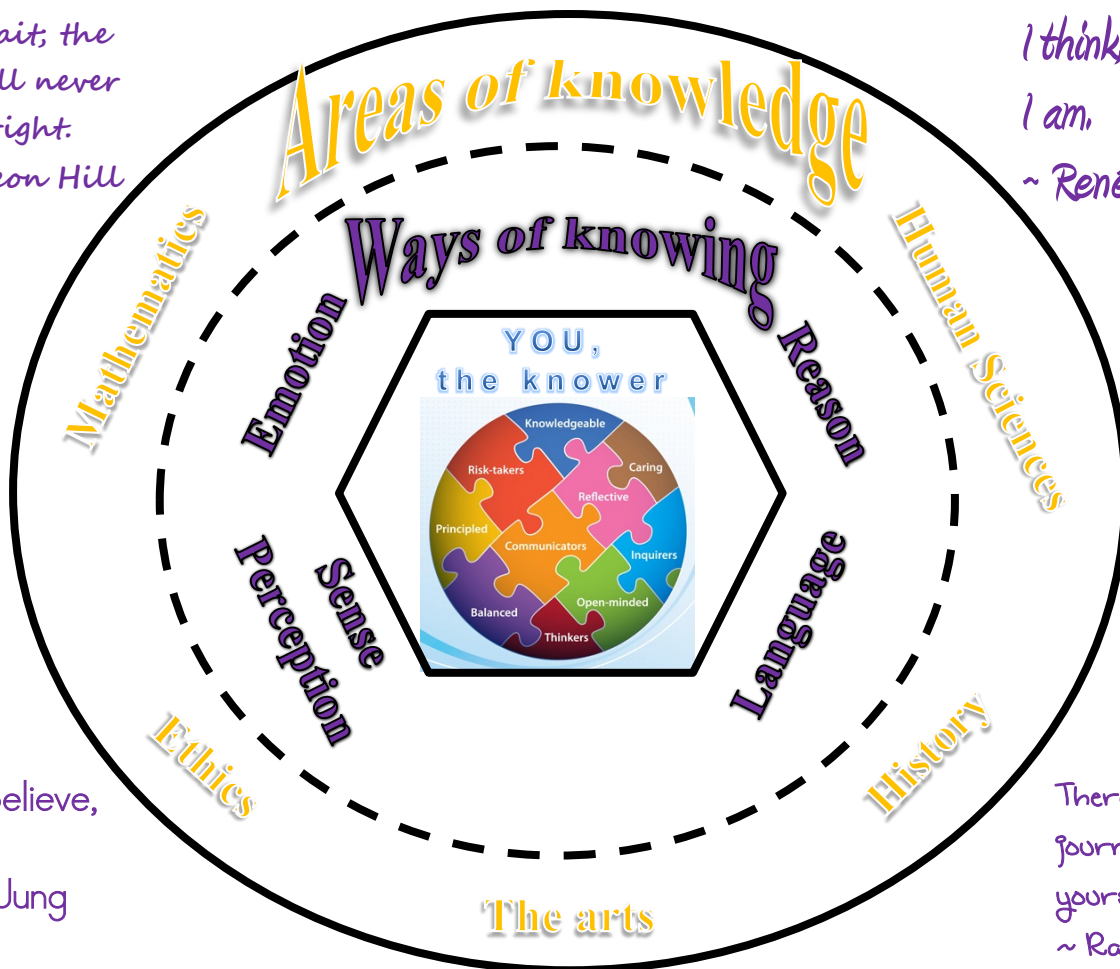

ToK is a course **unlike** any other you've ever taken! ToK teachers and students **engage** in exciting dialogue on a daily basis. There will be many more questions than answers! ToK is very **special**!

You will:

- **reflect** critically on diverse ways of knowing and on areas of knowledge,
- consider the role and nature of knowledge in your own **culture(s)**, in that of others and in the wider world,
- be aware of yourself as a **thinker**, becoming more acquainted with the complexity of knowledge,
- and recognize the need to act responsibly in an increasingly interconnected but uncertain **world**.

Don't wait, the
time will never
be just right.
~Napoleon Hill

I think, therefore,
I am,
~ René Descartes

I don't believe,
I know.
~Carla Jung

There is only one
journey; going inside
yourself.
~ Rainer Maria Rilke
