

# WHEATON HIGH SCHOOL ATHLETIC BOOSTER CLUB BANNER SALES 2010

Dear Friend of Wheaton High School,

Like most public schools, we need the help of the community to help us provide a safe and healthy athletic environment for our students to thrive. The Banner Sponsorship Program is a great way to promote your business throughout the Wheaton community in support of our athletic programs.

Our needs are many, from team equipment to facilities upkeep. The county allocation of funds towards school athletics only goes so far. The heavy use of our extremely limited field space at Wheaton, makes our expenses for field maintenance extraordinary.

By purchasing a banner you can support our students while advertising your business or organization. Our fields are used by multiple teams at over 50 games throughout the school year. Your potential outreach is huge, allowing you to reach large numbers of your neighbors and customers while helping Wheaton students.
