Music can save a life.

Music can change the world!

The **Rock Band** students at Roberto Clemente Middle School in Germantown, Maryland are impacted by *life-changing music*. They learn to personally express themselves and share in the specialness of playing in a band. Rock Band students discover their gifts, talents, and self-worth through the innovative and relevant experience of playing rock and roll instruments in the Rock Band class!

Now they want to share the power of music with others to change the world.

"Rock The World" is Clemente's international collaboration with students at the Hope & Brighter Future School in **Kenya, Africa**. Clemente Rock Band students will perform in a benefit concert on **May 10, 2016** in the effort to *raise \$3,000* to buy instruments for Kenyan students, **so that** they too can **experience the power of music to transform lives and lift the human soul**. Join our musical partnership! Help us bring music to Africa! Donate **your** time, **your** treasure, **your** talent! We need you to help us **rock the world!**

"Clemente Music Rocks" at The Roberto Clemente International Baccalaureate Candidate School is part of the Rock-in Schools coalition to provide rock band instruments and curriculum to middle school teachers and students in Maryland's Montgomery County Public Schools. Rock Band teaches the history of popular music and engages middle school students through a dynamic and innovative **free** school program. Rock Band provides equity so that no child has to "pay to play" and all students have access in school to every type of musical education!

As an IB candidate school, Roberto Clemente Middle School strives to give back to the global community in the effort to make the world a better and more peaceful place.

Get an up-close glimpse of kids "rocking out" at school! Experience the power of the Rock in Schools story in the documentary, "Best Day of My Life": tinyurl.com/bestydayfilm.

Donations for the music program at Hope and Brighter School can be made online at ClementeRockTheWorld or at the benefit concert on May 10th (\$5 suggested entrance fee). **Rock The World is soliciting matching donations to the monies raised at the concert from the community.**
