4 PBIS Components

 ***Core Values***

 ***Rewarding POSITIVE behavior***

 ***Behavior Support System***

Core Values

 ***At RMS our core values are:***

- Respect***
- Responsibility***
- Readiness to learn***

These are taught and demonstrated daily around school. As a student it is your job to establish and practice the core values in your everyday routine in the classroom, hallway, cafeteria, media center/ computer labs, bathroom and interactions with staff and your peers.

Rewarding POSITIVE Behavior

-  ***PBIS is in place for YOU!***
-  ***It is an incentive system to reward YOU!
It focuses on positive behavior and
positive interactions.***
-  ***Students who meet and exceed our
expectations and consistently
demonstrate RMS Core Values
will be rewarded!***

Behavior Support System

 ***The final component of PBIS are behavioral expectations. RMS has developed a system to establish, as well as maintain, a safe and effective school environment that maximizes the academic achievement and positive behavior of all students. Through consistency we can maintain a positive school environment!***

Bounce Passes

 ***This year we are implementing the BOUNCE pass. If you receive a Bounce pass you are to leave the classroom and report to a specified room, your pass will tell you where to go and how long you will be gone. You are expected to work while you are gone and reflect on what behaviors could have led to a more positive outcome.***
