## ROSA PARKS MIDDLE SCHOOL CALCULATOR CONTRACT

Student Name \_\_\_\_\_

Teacher Name \_\_\_\_\_

Dear Parent/Guardian,

Please read the following agreement. A calculator will be issued upon return of this signed document.

### GRAPHING CALCULATOR BORROWER'S AGREEMENT

I understand my responsibilities as outlined in this agreement and agree to borrow a graphing calculator for the duration of the mathematics course in which I am enrolled.

Responsibilities:

1. The graphing calculator will come into my possession in good working order but without batteries.
2. I must report any malfunctions of the calculator to my math teacher within the first week of the loan agreement.
3. I will provide my own batteries for this calculator.
4. I am responsible for bringing the calculator to class EVERY DAY.
5. If I loan the calculator to anyone else, any damage to or loss of the calculator incurred by that individual is my responsibility.
6. If lost, damaged (including a missing cover), or stolen, I will replace the calculator with a new calculator of the same model in its original packaging. (Approximate cost: \$90.00)
7. I will return the calculator at the teacher's request if the teacher feels I am being irresponsible in caring for it.
8. I will return the calculator at the end of the school year in good working order.

Signatures by both the student and parent are required. This signifies that you have read and understand the agreement and that you are willing to assume responsibility for any loss or damages.
