BLACK HISTORY MONTH

SMS Celebrate Black History Month

Mary Oliver (Rising 9th Grader)

Sligo always celebrate cultural diversity such as Black History Month or the International Dance and Program and so many other events highlight respect to all cultures.

Now, here's Mary Oliver review about the Black History Month program. "I thought the BHM assembly performance from the Einstein HC was amazing. Not only did the event highlight Sligo's love for the Black Community, but it also was empowering the student leadership who managed this event. I love the step team and the Caribbean Dance Team. They all showed pride in their roots through dance and it "wooded" the audience. There were several students reciting poems and giving speeches, all done in a most excellent way.

Sixth Graders Outdoor Education

Sixth Graders namely, Lena, Sophie, Keelin, Riley, Cady, and Monica stated (over and over while smiling and laughing) that they had a wonderful time at Outdoor Education. It was quite an enjoyable experience. When asked to share one word that defines your outdoor experience, the ladies named above said, "it was funk, exciting, developed friendships, educational, very cold, kool, tight, different, adventurous, must do again and memorable."

Sligo MS do have some real Kool Fun Days!

CAUGHT ON

C A M E R A

SMS Supports Cancer Fundraising

Annually, Mr. Brian Brewer with our kind Admin and our wonderful staff and student body support leads Sligo Middle School in raising funds for Kids vs. Cancer. This is always a very successful fundraising effort. The staff vs student basketball game is overwhelmingly a fun activity. O.k, as usual, staff has continue to out do the students but end up going home using Mr. Ben Gay. Special thanks is extended to each basketball player for helping to make this a Fun Day with a sure purpose.

School Climate Student Survey

Recent state law requires that all public schools in Maryland survey students about school climate. The purpose of the survey is to gain valuable information about the quality and character of each school's learning environment so that schools can promote a climate that supports student learning. Students took the survey during regular school hours between April 8th and 16th. The survey will ask students about topics such as student engagement, interactions with adults and with other students in the school, the school environment, bullying, and safety. The survey will not ask about a student's personal experiences, and students will not be asked to provide any information that might violate his or her privacy. The survey is confidential and school personnel will not have access to the responses of specific students. The response students provided where combined with the responses from other students in the school, and the results will be reported for each school and district. It's true, in MCPS, students voices are heard.

Throughout the years Sligo has launched many community missions and programs. This year, staff and students honored this mission by collectively wearing Pink on October 25th. This support helps to spread the word about mammograms and raise awareness about the importance of early detection of ...

Sports

FROM THE DESK OF COACH LYNCH: Congrats to the Boys Softball Team for beating Eastern 10-2 for their final game. The team was led by the three 8th grade All-Stars. Luke pitched a great game striking out several batters. Aidan Schaffer stretching out to scoop up throws at first base. And Nathan porter cranking 2 homeruns.

FROM THE DESK OF COACH SHANE: The final cross country meet was held yesterday at home against Eastern and what a way to end the season! Our girls and boys cross country teams both won... again! A personal best was run by everyone. Eastern gave us some tough competition, but Sligo had enough runners in the top 7 to pull out one more victory to go undefeated for the season one more time! Congratulations runners, on a race so well run, and to another perfect season. You make us proud, not only in your win, but with your sportsmanship and grace. Well, well done!
